Registering with the Careers Service

You need to **register** before you can login to the Careers Service website. There are different registration forms for each major group of users:

- Current Undergraduates and Postgraduates
- Postdocs and Research staff
- Other Cambridge staff
- Alumni

Each form will only ask you for information we require to identify you and your association with the University. If you have a **Raven** account you will be able to use your Raven credentials once you are registered with us to login.
