Work at the Careers Service

Full time Careers Adviser post; to focus on the technology, engineering and City fields of employment in the UK and abroad. Applicants must be confident and articulate and have empathy for, and experience of working with, bright, ambitious students of exceptional ability. Closing date 18 October.

International interns

Students who received a bursary via the University’s Careers Service have been documenting their amazing summer Internships, including working at the Rio Olympics, the World Health Organisation and Ethical Apparel Africa. Find out more on Facebook or Instagram.
Registering with the Careers Service

You need to register before you can log in to the Careers Service website. There are different registration forms for each major group of users:

- Current Undergraduates and Postgraduates
- Postdocs and Research staff
- Other Cambridge staff
- Alumni

Each form will only ask you for information we require to identify you and your association with the University. If you have a Raven account you will be able to use your Raven credentials once you are registered with us to login.
